The image shows a matching exercise. On the left, there are five numbers: 5 (purple), 4 (blue), 2 (orange), 1 (red), and 3 (green). On the right, there are five groups of objects: a group of 5 flowers, a group of 4 bees, a group of 2 birds, a group of 1 tree, and a group of 3 frogs. Colored lines connect the numbers to the corresponding groups of objects: a purple line connects 5 to the flowers, a blue line connects 4 to the bees, an orange line connects 2 to the tree, a red line connects 1 to the birds, and a green line connects 3 to the frogs.
